A trip cancellation due to insufficient numbers would normally occur at least a month prior to departure, unless acts of God, war, strikes or other events impede our departure causing large numbers of participants to opt out or cancel participation to the retreat.

Passion for Living Retreats must make substantial payments to suppliers (including internal transport) far in advance of the scheduled date on which we embark. If a trip is cancelled due to forces beyond our control (acts of God, war, strikes, earthquake, flooding, etc.), Passion for Living Retreats will promptly refund the portion of the trip cost not advanced to suppliers. Passion for Living Retreats will use its best efforts to recover advance payments as promptly as possible, and will refund to you the amount recovered, if any. However, Passion for Living Retreats does not guarantee recovery of any or all of the advance payments made, and our use of best efforts to recover these payments will not include the institution of any legal proceeding in foreign lands. This policy applies to a trip cancellation by client choice following any necessary increase in trip costs.
